# PROFILE

A driven and aspirational third-year Shoolini University Bachelor of Computer Applications (BCA) student with a solid background in computer science who is extremely interested in investigating a variety of IT-related careers. I am ready to put my knowledge to use in a real-world business setting because I have the problem-solving, communication, and learning skills necessary. I'm looking for an internship that will expose me to emerging technologies, business procedures, and core IT functions.
